

BRYAN MILES

MENTALIST

“I don’t read minds, I read people.”

Meet Bryan Miles.

**An ordinary person,
with extraordinary skills.**

As the host of his own 13-part TV series, Bryan Miles is one of the leading exponents in the unique field of psychology and illusion. He has studied the mysteries of the human mind through Mentalism, Magic, Hypnosis and recreating Psychic Ability – but at no point does he ever try to convince anyone of anything. Whether he is extracting people’s inner most thoughts or controlling their behaviour – his shows will keep you questioning the potential of the human mind...

“You’ve seen *The Mentalist*, now meet the real thing!”
